COURSES

GOL 3010 Fundamentals of Lifelong Learning

In this course, we will examine adult developmental stages including physical, cognitive, personality, social, and

GOL 3300 Gifts Differing: Diversity and Teamwork in the Workplace

Students will gain experience with and knowledge of concepts related to diversity in the workplace and group dynamics through the study of the Myers-Briggs Type Indicator (MBTI). Students will gain valuable insight into their own personality preferences as well as that of those they interact with through instruction as well as self-evaluation. Three hours.

GOL 3450 Marketing in a Technological Age

This course provides learners with the opportunity to develop an understanding of the demand side of organizations from a marketing perspective and then to act based on that understanding. In pursuit of the related goals of understanding and acting, learner activities are structured around three key concepts: 1) a customer focus is essential 2) relevant, timely, valid information is essential 3) competition based on product differentiation is essential. In the course learners also explore how to evaluate marketing programs and efforts using insights from Scripture. Three hours.

GOL 3520 Human Growth and Development
